As your Arbonne consultant, I want to help you have the most successful and fun party. Follow these 4 simple steps and **YOU will be sure to **EARN** your host rewards.**

- Step 1.** Make your Special Guest List and meet with me this week. The ideal size for your Arbonne party is 8 special guests. You will need to over-invite since some won't be able to join us. Then, give your guests a personal invitation either face-to-face or over the phone.
- Step 2.** Follow-up with your guests a few days before to make sure they have the date and time secured on their calendar. Let them know how excited you are that they are coming. Remind them they will be pampered and tell them they can bring a friend!
- Step 3.** Let me know who the *Yes's* and *Maybe's* are so I can give them a quick reminder a day or two before.
- Step 4.** The day of your event, I'll arrive early to set up. Create a distraction-free environment in your home... you can even create ambience with candles and music. Serve light, simple refreshments and plan to start on time because we will have an *incredibly* fun time!
